Online Registration till October 15, 2016

Resource Persons:
Eminent resource persons from industry and research organizations/institutions will address and deliver their talks to the faculty members of various institutions.

1. Dr. R. P. Maheshwari
   Director, RKGIT, Ghaziabad
2. Dr. B. K. Panigrahi
   Associate Professor, IIT Delhi
3. Dr. Bhavesh Bhalja
   Associate Professor, IIT Roorkee
4. Dr. Manohar Singh
   Engineering Officer, Power System Division (PSD), CPRI, Bangalore
5. Mr. Sanjay Agrawal
   A.P. RKGIT, Ghaziabad
6. Mr. Vijay P. Singh
   A.P. RKGIT, Ghaziabad

Topics to be covered:

Chief Patron
Shri Dinesh Goel
(Chairman – RKG Group of Institutions)

Patrons
Dr. B. K. Gupta
(Advisor – RKG Group of Institutions)
Dr. Laxman Prasad
(Director R&D – RKG Group of Institutions)
Dr. R. P. Maheshwari
(Director – RKGIT, Ghaziabad)

Address for Communication
Dr. T. N. Shukla (Convener)
Department of Electrical & Electronics Engineering
RKGIT, Ghaziabad
Mobile No: 9811984397
Email: rkgit.electrical@gmail.com

For Further Details Contact
Mr. Shailesh Kr. Gupta (Co-ordinator)
Assistant Professor (Deptt. of EEE)
Mobile No: 99581812149

Who can Participate

ABOUT THE INSTITUTE

Raj Kumar Goel Institute of Technology, Ghaziabad, the flagship institute of Raj Kumar Goel group of institutions, is approved by AICTE and affiliated to AKTU, Lucknow. The institute, on a sprawling campus, epitomizes a vision that has taken concrete shape, not only in offering varied UG courses but also in upholding the ethos of nurturing and strengthening the students character and personality, thus equipping them professionally, intellectually and morally.

ABOUT THE DEPARTMENT

The Department of Electrical and Electronics Engineering (EEE) was established in 2003. Since its commencement, the primary objective of the department has been to impart quality education and training at the undergraduate level in various areas of Electrical Engineering. The department offers B.Tech. in Electrical & Electronics Engineering. All the Laboratories of the department are well equipped. The major areas of faculty expertise of the department include Instrumentation & Control, Power Electronics & Drives, Power System: Power System & AI Application to power system, Distributed Generation & Protection, Smart Grid, Robust Control & Load Frequency Control, Signal Processing, Soft Computing.

FDP Invitation
