MESSAGE FROM HOD

Our goal is to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. We impart quality education & training to students for shaping their careers. We are in continuous efforts to educate leaders who will turn great ideas into real changes that will make the world a better place and generate new knowledge and advance the progress of research. Our goal is to make efforts for the spread of technical education among classes and communities, which are socially and educationally underprivileged. Our goal is to create capable young researchers / teachers with great thirst for knowledge and scientific curiosity. We provide opportunities to the students to reach his/her highest personnel and professional capability. We develop the personality and character of students by value based education.

Warm regards,

Mr. Shailender Kumar Gaur

Mr. Praveen Kumar
Ms. Richa Awasthi

Student Members

Mr. Abhishek Singh
Ms. Jaipoorna Singh
Mr. Dev Goel(IV Year)

Details of Various Events Held

CAT MOCK TEST ON 3rd NOV 2011

Computer Science & Engineering Department has organized "QUIZ COMPETITION" on 3rd Nov 2011. Overwhelming response from the students was witnessed in the event. 15 students registered themselves on the event.

Winners of competition were:-

1st Prize Ms. Aparna Srivastava (CSE IV Year)

2nd Prize Mr. Rajdeep Desai (CSE IV Year)

Vision

To be recognized globally for delivering high quality education in the ever changing field of computer science & engineering, both of value & relevance to the communities we serve.

Mission

1. To provide quality education in both the theoretical and applied foundations of Computer Science and train students to effectively apply this education to solve real world problems.
2. To amplify their potential for lifelong high quality careers and give them a competitive advantage in the challenging global work environment.

Upcoming Events

[MOVIE MAKING COMPETITION]

[Computer Science & Engineering Department will organize "Movie Making Competition" on 15th Mar 2012]

[STUDENT PAPER CONTEST]

[Computer Science & Engineering Department will organize "Student Paper Contest" on 21st Mar 2012.]

Puzzle

You are sitting with one opponent at an empty, round table. Taking turns, you should place one euro on the table, in such a way that it touches none of the coins that are already on the table. The first player that is not able to place a euro on the table has lost. By tossing a coin, it has been decided that you may start.

Ques: - Which strategy will you follow to make sure you are guaranteed to win?
