### **QUOTE OF THE MONTH**

***"We are what our thoughts have made us; so take care about what you think. Words are secondary. Thoughts live; they travel far."***

**-Swami Vivekananda**

### **Vision**

To be recognized globally for delivering high quality education in the ever changing field of computer science & engineering, both of value & relevance to the communities we serve.

### **Mission**

1. To provide quality education in both the theoretical and applied foundations of Computer Science and train students to effectively apply this education to solve real world problems.
2. To amplify their potential for lifelong high quality careers and give them a competitive advantage in the challenging global work environment.

## **Upcoming Events**

### **[QUERY ON SPOT]**

[Computer Science & Engineering Department will organize a "QUERY ON SPOT" on 20<sup>th</sup> Aug 2012.]

## **Puzzle**

In an aquarium filled with water, a block of wood floats. On top of the block of wood, a brick has been glued. We mark the current water level. If the block of wood is turned around (so that the brick hangs under it), will the water level rise, fall, or stay the same?
