MESSAGE FROM HOD

I believe my role as an educator is to guide and nurture the next generation to establish skills to achieve health, respect, prosperity and fulfilment.

I am passionate about students being empowered to succeed. As HOD, I use all tools available to inspire staff, students and community to work together to promote student achievement and well-being.

I am an avid supporter of effective and innovative professional development that encourages teachers and principals to be reflective and to continuously examine our practice to provide quality teaching and learning for each student. My role as HOD is to keep up with latest trends and research and be an active partner in the school's professional development.

The ability to be innovative and creative is important to me. I enjoy being challenged and inspired by the people around me. I aim to enthuse and challenge staff and students to also be inventive and imaginative in their learning and day to day tasks.

Warm regards,

Mr. Shailender Kumar Gaur

HOD, CSE

Details of Various Events Held

GATE MOCK TEST ON 23rd SEP 2011

Computer Science & Engineering Department has organized "GATE MOCK TEST" on 23rd Sep 2011. Overwhelming response from the students was witnessed in the event. 15 students registered themselves on the event .

Winners of competition were:-

1st Prize Mr. Pranshu Agarwal (CSE IV Year)

2nd Prize Ms. Rashi Ahlawat (CSE IV Year)

GRAPHICS DESIGNING CONTEST ON 12th OCT 2011

Computer Science & Engineering Department has organized "GRAPHICS DESIGNING CONTEST" on 12th Oct 2011. Overwhelming response from the students was witnessed in the event. 29 students registered themselves on the event .

Winners of competition were:-

1st Prize Ms. Deepa Agarwal (CSE III Year)

2nd Prize Ms. Divya Mittal (CSE III Year)

Vision

To be recognized globally for delivering high quality education in the ever changing field of computer science & engineering, both of value & relevance to the communities we serve.

Mission

1. To provide quality education in both the theoretical and applied foundations of Computer Science and train students to effectively apply this education to solve real world problems.
2. To amplify their potential for lifelong high quality careers and give them a competitive advantage in the challenging global work environment.

Upcoming Events

[QUIZ COMPETITION]

[Computer Science & Engineering Department will organize "Quiz Competition" on 23rd Jan 2012.]

Puzzle

Two whole numbers, m and n , have been chosen. Both are greater than 1 and the sum of them is less than 100. The product, $m \times n$, is given to mathematician X. The sum, $m + n$, is given to mathematician Y. Then both mathematicians have the following conversation:

X: "I have no idea what your sum is, Y."

Y: "That's no news to me, X. I already knew you didn't know that."

X: "Aha! Now I know what your sum must be, Y!"

Y: "And now I also know what your product is, X!"

Ques: - What are the numbers m and n ?
