MESSAGE FROM HOD

I believe my role as an educator is to guide and nurture the next generation to establish skills to achieve health, respect, prosperity and fulfilment.

I am passionate about students being empowered to succeed. As HOD, I use all tools available to inspire staff, students and community to work together to promote student achievement and well-being.

I am an avid supporter of effective and innovative professional development that encourages teachers and principals to be reflective and to continuously examine our practice to provide quality teaching and learning for each student. My role as HOD is to keep up with latest trends and research and be an active partner in the school's professional development.

The ability to be innovative and creative is important to me. I enjoy being challenged and inspired by the people around me. I aim to enthuse and challenge staff and students to also be inventive and imaginative in their learning and day to day tasks.

Warm regards,

Dr. Tapsi Garg
