Attn: B.Tech All Branches & MCA Final Year Students (2016 Batch)

Subject: Kareermatrix Adaptive Test (KAT) for Recruitment Purposes

This institute has signed MOU with Kareermatrix for enhancing the placement opportunities for our students especially in core branches. Kareermatrix are conducting a KAT assessment cum development exam for students which will allow students to many placement opportunities offered by the company. KAT (Kareermatrix Adaptive Test) Assessment is accepted by many corporate as well as core companies. Corporates and core companies require good candidates on their domain (basic knowledge of domain). Kareermatrix assess the students on their domain.

About the Kareermatrix Adaptive Test (KAT)

KAT Exam:

KAT is a 2.0 hour assessment test which contains aptitude (English, Logical, Quantitative), Financial Services, Personality Development, Computer Basics, Computer Algorithms, Programming, Electronics & Semiconductor structured and core domain according to B.Tech/ MCA.

Marks and Results:

The score of the test are available immediately. Each and every student gets a personalized score on their kareermatrix account as well as on email with detailed scores and additionally documented feedback chart/matrix, weaknesses and strength. The University/Institute/College is also provided with a consolidated result and feedback report with chart/matrix & graphical analysis.

Re-assessment of KAT:

If students' KAT score is not good. Students can appear in re-assessment test after 30 days. Students can take re-assessment by online/offline after 30 days. They will get two chances for improving their KAT score. Re-assessment tests will be absolutely free of cost. KAT improvement score will be automatically added/update to the public profile of the students for placement opportunities.
