**Subject: Recruitment Drive of VCCEdge, Research Division of Mosaic Media Ventures Pvt. Ltd.**

**VCCEdge** is likely to conduct a recruitment drive for **MBA (Finance)-Major Specialization** final year students. The details is as follows:

### About the company:

**VCCEdge** is India's premier research platform providing comprehensive data and analytical tools to professionals' part of the Indian investment ecosystem. Founded in late 2009 as a division of VCCircle.com, VCCEdge was initially launched as a deal database offering information on historical and current private equity & venture capital, and merger and acquisition transactions in India. Since then the product has evolved into a holistic financial research platform used by clients for deal origination, deal structuring and valuations, gaining market insights, carrying out due diligence, and tracking competition. The hosted platform provides information on demand and helps reduce research time, allowing users to spend more time on analysis. VCCEdge, backed by experienced journalists and a robust research team consisting of highly skilled analysts, has become an indispensable resource for professionals associated with private equity, venture capital, investment banking, corporate law, finance and consulting, or with an interest in the Indian deal landscape.
