Subject: Recruitment Drive of Loginworks Softwares

Loginworks Softwares is likely to conduct a recruitment drive for B.Tech (CSE, IT) final year students. The details is as follows:

About the company:

Loginworks Softwares is an IT services company, with growing business capabilities in web applications, mobile applications, market research data, online marketing domain, web & graphic development. We are able to adopt new technologies early, and work through refined processes to keep our clients happy, and in turn their customers happy. Our primary objective to develop applications for the future.

At Loginworks, we believe our responsibility extends beyond just project deliveries but giving right guidance and sharing relevant knowledge with our clients, empowering our employees to handle complex situations at work, and create a culture of fun and learning in the organisation. To fulfill our business commitments is our duty but do it with righteousness, with clarity and prudence has always been our forte.
