- Excellent trouble shooting and problem solving attitude
- Excellent Customer Service skills

**Training Details:**

Before appointment all the selected students would undergo a training program as mentioned below:

**Trainee Program:**

Training program is a 'self-study' program of maximum 3 months during which trainees will be getting the stipend.

Trainees are given different subjects related to Computers & IT to learn and do the assignments. These assignments are evaluated by the mentors and/or evaluation group. The objective of this training program is to see if the trainees can learn and build skills in limited and closed environment. A trainee can opt out of this training program at any point and also the company can terminate the training program of a trainee in case his/her performance is not up to the mark. On the successful completion of the training program, trainees are appointed as "Associate Software Engineer" on the basis of the skills they develop during their training program.

**Selection Process:**

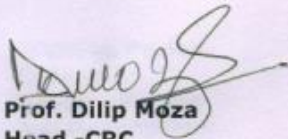

- Before going to GrapeCity for test rounds all the students will register themselves on GrapeCity community website: (Link given below)  
**<http://space.developertools.co.in/>**
- After this they can fill their details and can register themselves.
- After registration they can click on **Campus Placement (MCA Batch 2015)...Know more** to apply for campus placement in GrapeCity.

**The job ID is: 34**

- **IMP:** Students do not have to give online test as they are going to appear for F2F test rounds in GrapeCity campus
- Students will appear for F2F test round (**test is for 20 minutes**) on Saturday which will be conducting at GrapeCity Noida campus and whoever clears the test will be considered for F2F technical round. GrapeCity will only conduct one technical round on Saturday and whoever clears that round will be called in the first week of November for further rounds.

**Notes:**

- **Grapecity registration link is open till 31<sup>st</sup> October 2014 (Friday) before 1:00 PM.**
- **All eligible & interested students are requested to register for transportation with CRC by 1:00 PM on 31st October 2014. Transport will be arranged for registered students only.**
