

DOODLING COMPETITION REPORT

Greetings of the Day

Dear all,

Department of Management Studies had organized a Doodling Art Competition on the Theme “*Traditional India vs Modern India*” on *19th April - 25th April* for *BA, BBA, BCA, BCom, BSc, BTech* students.

The purpose of this competition was to bring out the inner talent of students on a piece of paper. We had invited all the backbenchers, all the last page artists to dig out the inner doodlers inside them. More than 50 students from different colleges had shown their interest and participated in the competition. It was very difficult to judge as the drawings were fantabulous.

I hereby take this platform to Congratulate our winners for the Doodling Art Making Competition!!

*Winner: Shruti Goel (Vidyawati Mukund Lal Girls Degree College) *

*1st Runner Up: Payal Chaudhary (Vidya School of Business) *

*2nd Runner Up: Jatin Sangwan (Vidya Institute of Creative Teaching) *

*Drawings of all the winners are attached. *
