QUARTER I (Self-Activity)

Report on : "Food without Fire" WORKSHOP
for Startups

Innovation, Team Spirit and creativity are a crucial part of business, as it is often necessary for colleagues to work well together, trying their best in any circumstances.

In order to inculcate the team spirit and togetherness for an organization, RKGIT (MBA) organized a Food without Fire activity for MBA 2nd Year and 1st year students on 21st October, 21

The main objective of the workshop was to make students understand the importance of coordination and cooperation and how to effectively work along with the groups in spite of personality differences .

It was a fun filled activity where total 15 teams participated from MBA department .

The session was organized by Mr. Harsh Mohan Sharma and Mr. Ashish Kumar Singh from CRMC Council.
