WORKSHOP ON SPECIALIZATION SELECTION

Date: 17th June'2022

Target Participants: MBA I yr Students

For most management students, choosing a specialization is often a tough decision. And it is rightly so, because it plays a key role in determining the career path of the students. Keeping it in mind Department of Management Studies organised a workshop for MBA-1st Year students related to their Specialization selection on 17th June '2022

During the interactive workshop students Query related to selection of specialisation were answered and they were made aware of the parameters on the basis of which they can take a decision of selecting their specialization subject.

The session was taken by following CRMC Council members:

Mr. Harsh Mohan Sharma

Mr. Ashish Kumar Singh
