Report on Expert Talk on “Process of Innovation Development & Technology Readiness level(TRL) & Commercialization of Lab Technologies & Tech-Transfer” on 20th January 2022

Institution innovation council of Raj Kumar Goel Institute of Technology, Ghaziabad Under Entrepreneurship, Innovation and Incubation Department at Raj Kumar Goel Institute of Technology, Ghaziabad organized a one-day webinar on January 20, 2022, from 11.00AM -12.00PM titled Expert Talk on “Process of Innovation Development & Technology Readiness level(TRL) & Commercialization of Lab Technologies & Tech-Transfer”. It was well-received by more than 150 participants of various colleges. Prof. Puneet Chandra Srivastava,(Dean EII-RKGIT) started the session with a warm welcome to all the attendees, introduced the mission and vision of EII Department established at RKGIT campus., and gave an overview of its’ function & activities. He then introduced the guest speaker. The session was delivered by guest speaker. Mr. Prashant Singh, Examiner of Patent & Designs, Patent office Delhi.

Mr. Prashant Singh explained the process and importance of Patent filing. It was highlighted that for any technical invention, it is beneficial if one files for IPR as it prevents anyone else to use your invention without your consent. Along with filing a patent it is also important that as soon as you invent something new, proceed for the patent application, because it was explained that for similar inventions, the one who applies first gets the patent. The protection of Intellectual Property Rights (IPR) is important for the economy and for its further growth in areas such as research, innovation and employment. Effective IPR enforcement is also essential to health and safety. The session ended with a Q&A session, giving the participants opportunity to clarify their doubts about entrepreneurship.

Director D.R. Somashekar also motivated the students with his short talk after Mr. Prashant Singh. The session was concluded with vote of thanks by Dr Puneet Chandra Srivastava, Dean, EII-RKGIT, and Ghaziabad. The online event was attended by around 150 Faculty, staff and students from the college.
