Report on Session on Problem Solving and Ideation Workshop on 21st December 2022

Institution innovation council of Raj Kumar Goel Institute of Technology, Ghaziabad Under Entrepreneurship, Innovation and Incubation Department at Raj Kumar Goel Institute of Technology, Ghaziabad organized a one-day workshop on "Problem Solving and Ideation "from 11.45AM onwards on 21st Dec 2022 It was well-received by more than 150 participants. Mr. Tarun Bhatia, Director, upgrad Ghaziabad was the esteemed speaker who graced this event. Mr. Bhatia is a Mechanical Engineer (Gold Medalist), Shivaji University. He has completed his MBA from S.P. Jain Institute of Management Studies, Mumbai. He is a certified 'B' level Project Management professional from IPM. He is also certified in Global Business Leadership skills from Michigan State University and was amongst the top candidates at the McKinsey's Leadership Development Program.

Students from all the years attended the workshop enthusiastically and gained insights from the decades of experience of Mr. Bhatia in construction and oil/gas refinery sector. He emphasized on the importance of problem-solving and entrepreneurship. And how students can turn their ideas into a reality.

Prof. Puneet Chandra Srivastava,(Dean EII-RKGIT) started the session with a warm welcome to all the attendees, introduced the mission and vision of EII Department established at RKGIT campus., and gave an overview of the' function & activities. He also introduced Dr. B.C. Sharma, Director, RKGIT who has joined the institute just a week ago. He then introduced the guest speaker. The session was delivered by guest speaker, Mr. Tarun Bhatia, Director, upGrad Ghaziabad.

The session ended with a Q&A session, giving the participants opportunity to clarify their doubts.

The session was concluded with vote of thanks by Mr.Vaibhav Sharma, Asst.Prof-RKGIT, Ghaziabad.
