Brief details of the event highlights:

This event enhanced the knowledge of about the functioning of IIC-5. Faculty and student interacted with the Innovation Ambassador Dr.Puneet Chandra Srivastava and got to know about the role and importance of IA (Innovation Ambassadors).The objective was to encourage students for taking up innovation activities, to inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in their informative years and focus on creative learning. Students learnt the innovative concept and terminology related to innovation.

This Seminar aimed to encourage students for involvement in Innovative projects in campus. Speaker also suggested the ways to pursue innovation in their thinking and to have more and more participation in IIC-5 activities. The key components for developing innovative projects were explained in detail. The participants got awareness about various schemes and contest related to innovation. They were also offered mentoring support to pursue their ideas for which the slots and contact details were provided. The faculty members and students of the institute, who attended this event, were highly benefitted by the knowledge shared in this field. The event was highly appreciated by the participants

This lecture was very useful for students with innovative thinking and he provided lots of information regarding the innovation.

The session was concluded with vote of thanks by Mr.Vishal Srivastava, President-SPIC (EII –RKGIT) Ghaziabad.
