**Subject: Appreciation for your Institution's contribution**

Dear Ma'am/Sir,

Happy New Year!

On behalf of team NCRTC, I am writing to express my profound appreciation for the invaluable support that Raj Kumar Goel Institute of Technology provided during the recent Regional Rapid Transit System (RRTS) inauguration event. Active participation by students Raj Kumar Goel Institute of Technology, played a pivotal role in making the event a grand success.

In recent years, under the visionary leadership of the Hon'ble Prime Minister, our country has experienced significant strides in its developmental journey. The introduction of India's first regional rail is poised to accelerate this progress. Earlier, residents in this region had to face numerous challenges in commuting, many had to relocate to Delhi in pursuit of opportunities. With the advent of Nammo Bharat trains, people can now reside in their own villages/towns, enjoying safe and comfortable commutes for their livelihood.

Further, I would like to extend my gratitude for your support in the 'Knowledge sharing session' organised by NCRTC in your college, Curiosity demonstrated by students to know about the eco-friendly aspects of the RRTS, emphasising the importance of sustainable transportation. Discussions underlining the potential of Nammo Bharat trains to bring people together and improve connectivity were quite impressive. Your students' keenness to learn and explore the state-of-the-art RRTS is a testament of the institution's efforts in giving quality education and innovative approach.

Once again thank you very much for the incredible support. Look forward to work together to shape a brighter, sustainable, and more connected New India.

Warm regards,

Yours sincerely,

## *Light de Literacy*

एक आशा नवनिर्माण की

An organization for slum literacy & child empowerment

Registered under Society Registration Act XXI, 1860 : S/ND/582/2015

### **To Whomsoever It May Concern**

"Light de Literacy is a registered NGO with Registration number S/ND/582/2015 under the Society Registration Act XXI, 1860. It is an NGO operated by a dedicated group of socially active and educated young individuals, with a primary goal of providing education to underprivileged children.

Our journey began in 2012, focusing on children living in slums. In 2015, we initiated efforts to expand our reach by collaborating with volunteers from RKGIT College. Initially, we started with just seven volunteers and a group of 10-12 children nearby whom we taught.

Our literacy center at RKGIT has witnessed remarkable achievements by the children we serve. To date, two kids have pursued B.Tech, and one is studying B.Pharm in Ghaziabad. Additionally, a girl from our literacy center has excelled in state-level championships in sports like kabaddi, kho-kho, and volleyball.

LDL also takes on the responsibility of sponsoring the fees for 18 children who are unable to afford it. We actively celebrate various festivals with the children to promote a sense of equality and inclusiveness.

At present, our organization comprises over 40 active members and serves more than 120 children who are eager to be catalysts for change, rather than waiting for change to come to them."

**Sincerely,**
