From Editor's Desk...

At this point in time, when life is full of twists & turns, I never imagined that RKGIT would mean so much to me. I cherish moments of the period I spent while being there. Even today, loads of memories keep me smiling. And, actually the same place is now buzzing even more with activity, from whatever I have been reading for past couple of years.

-- An RKGIT Alumni

As is truly said, holding an Alumni Meet is like making a movie. Right from the stage when we start assimilating the basic information from various technical departments to the time when we actually start welcoming our alumni, there are so many things to be worked out in detail. Making an activity schedule itself is a tough task, especially when expectations are to make Alumni forget present-day-life & re-live college time for a day. To keep all the participants happy about their choice of activities, timings, preferences & itinerary and simultaneously trying to keep the audience engrossed to their deliberations is a challenging task. Anyway, the whole activity plan is before you to decide. I can only hope that you would go back happily and a little bit wiser, with sweet memories of this day.

I have lived with the stories told in this souvenir for many weeks now, and they all have some common threads running through them. The vision of RKGIT in providing affordable technical education to rural boys and girls in and around Ghaziabad; the transformations in the lives of students who have successfully completed their courses over the years from us; and the sincerity and dedication of all the faculty & staff members of the Institute that every student talks about with such warmth. Many of the events are very moving, and most are designed with a great deal of sincerity and a lot of affection. It is very clear that many students have carried back with them valuable lessons on life, apart from their degrees. It is also equally evident that the teachers here are doing much more than teaching subjects prescribed in the syllabus. I have been assiduously checking the tiniest details while editing this souvenir, and it has its advantages – there is so much I learnt as I researched on some fact or the other, or various quotes that the enthusiastic ex-students have used to illustrate their pieces. One quote of Wordsworth took me down a wonderful path, and I spent a wonderful hour reading about it. It is only apt that I share another famous quote here, because it fits perfectly: "There's a certain nostalgia and romance in a place you left." Whose quote it was, and which former student used it: I leave you to search for it in this collection of warm. I am proud to be a part of the Souvenir.

Like a single flower don't constitute a garland, this Souvenir is not an outcome of a singular action. It was really remarkably satisfying to have in the team of Managing editors, Mr. Zatin Gupta (CSE), Ms. Anupam Sharma & Ms. Soniya Verma (ASH). While Ms. Anupam Sharma & Ms. Soniya Verma helped with their subject expertise to draft a perfect alumni invitation letter, Mr. Zatin Gupta coordinated with all technical departments to ensure the participation of all Alumni of RKGIT.

We apologize shortcomings in our efforts, if any, and would like you to enjoy every moment of the programme.

I am delighted to know that "RKGIT Alumni Association" are organizing the Alumni Meet-2018 this year on 14th April, 2018. Home comings are nostalgic occasions that are always a cause for joyous celebration. I am especially pleased to extend a message to the alumni of an institution as illustrious and respected as the RKGIT. It is a pleasure to send my greetings on such a happy occasion. An evening together may not be sufficient, considering the wealth of personal and professional experiences you have each undergone over the years and which all of you will wish to share with your friends yet I truly hope that this evening is an enjoyable one for all of you. And that you bring home only the best of memories of your friends with whom you shared some of the most enriching experiences of your life.

I convey my best wishes to all the members of the organizing committee and wish the programme a grand success.
